

KÁROLY RÓBERT BÁNFAI – SOFTWARE DEVELOPER

karolyrobert82@gmail.com

OBJECTIVE

Hard working IT professional experience with Incident Management and Request Fulfilment seeking an opportunity to work on the field of Software Development.

EXPERIENCE & SKILLS

Incident Manager – Deutsche Telekom

June 2021 - Sept. 2021

- ✓ Task delegation
- ✓ Team communication
- ✓ Collaboration

Was the logical next step after beeing a ServiceDesk technician. Liked the company, the team, but came the realization that I want to chase a position on the field of Software Development. Still I learned a lot on the short time I spent there.

SerrviceDesk Technician – Bunzl Continental Europe

Apr. 2017 - June 2021

- ✓ Organization
- ✓ Prioritization
- ✓ Incident handling
- ✓ Request fulfilment
- ✓ Reliability

Tour Guide + Hotel Recepcionist - Various

...before

- ✓ Public speaking
- ✓ Empathetic problem solving
- ✓ Interpersonal skills
- ✓ Problem-solving
